

High Plastic Injection Transparent Sealed Box Mould

Basic Info

Model NO.: ABIS023

Runner: Hot Runner

Design Software: UG

Installation: Fixed

Certification: ISO

Standard: MISUMI

Customized: Customized

Mould Steel: 718 Steel

Hardness: HRC28--35

Mould Life: 300000 Shots

Manufacture Time: 30days

Mould Release: Auto Drop

Shipment: by Sea

Wall Thickness: 1.5mm

Trademark: ABIS

Transport Package: Wooden Case

Specification: ISO9001: 2008

Origin: China

HS Code: 8480719090

Why choice ABIS's moulding productus?

1. our company is a collection research and development, production, sales for the integration of technology companies, provide one-stop production and sales service
